   STEM/Literacy Night
31 3rd Marking Period Ends
   SCHOOL CLOSES AT 12 PM
   NO PM PRE K CLASS

PRINCIPAL’S MESSAGE

Dear Cedarmere families,

Every year, we ask you to take the BCPS Stakeholder Survey. Last year, BCPS used your responses to guide school improvement, staff training, and how staff work together.

Once again, your voice is needed. The survey only takes about five minutes or less, is anonymous, and is available in 16 languages for students, parents, and community members. If you are also a BCPS staff member, or if you have children in more than one school, you are encouraged to take the survey more than once to reflect these different experiences.

The survey is available at www.bcps.org from January 30 through March 3 via phone, tablet, or computer. Let us know if you would like to take the survey at school. We want you to participate.

Your voice matters!

With warm regards,
Laurie Brown
We acknowledge birthdays every day at Cedarmere on the morning announcements. Every child receives a birthday pencil. In order to support a healthy lifestyle and avoid food allergy issues, we ask that you refrain from sending in any food for any celebrations. In order to celebrate your child’s birthday or any celebration, please consider “goodies” like pencils, erasers, or stickers. You may also consider donating a book to the classroom library in your child’s honor. Perhaps a board game or puzzle to be played during indoor recess would help the celebration continue throughout the year. Thank you for understanding how important a healthy lifestyle is for our students.

JUMP ROPE FOR HEART 2017

Students will begin collecting money for Jump Rope for Heart! Last year we missed our goal of $7,000 by just a few hundred dollars. We are looking to hit our goal of $7,000 this year. The Jump Rope for Heart Kick Off was on Friday, February 3rd! The students received envelopes to collect money with directions on how to sign up online so they can get friends and family from anywhere to donate. Students will be able to collect money for the entire month of February. We will have our Jump Rope for Heart Celebration on March 10th. Cedarmere is very happy to help donate 100% of the money raised to the American Heart Association to help kids with sick hearts. With you and your family’s help, we can crush our goal and make it our best year yet! Thank you for your commitment and generosity to Cedarmere and the American Heart Association.

Be “Compassionate”

Value of the Month for February

**Compassion** is the response to the suffering of others that motivates a deep desire to help. **Compassion** motivates people to go out of their way to help physical, spiritual, or emotional hurts or
pains of another. The Golden Rule implies the principle of **compassion**. “Do to others what you would have them do to you.”

At Cedarmere, we will continue to encourage children to be compassionate. In all areas of life there is room for this very important value. Even small acts of compassion are recognized and appreciated by others. It truly warms your heart when children and adults show compassion for each other. Please continue to help us teach your children to be compassionate in every way possible. It will make the world a better place.

**Mrs. Rutherford’s class shares their thoughts on compassion:**

**Gabriel** – Compassion means to be kind to someone else. I show compassion when my little brother needs help finding his Pokemon.

**Adonis** – I show compassion when I help my mom cook and when I help others.

**Ania** – I show compassion by helping my sister.

**Brooklyn** – Compassion means that you are nice to others and care about helping them.

**Mileydi** – Compassion is when you help others learn.

**Cailyn** – Compassion means to be nice to others.

**Cesia** – Being compassionate is when you are kind and help others.

**Ahmad** – When you are compassionate you care about others; you give your mom a hug.

**Sam** – I show compassion when I help others. I help my sister with our dog.

**DJ** – I show compassion when I help my mother at WalMart.

**Sa’Raiya** – Compassion is when you are kind to others.

**Harman** – I show compassion when I help my mom make food.

**Dammy** – I show compassion when we get a new student. I am nice and smile at them. I show compassion when a friend moves. I give them a hug and say goodbye. I also show compassion when someone is alone and I play with them.

**Andrey** – I show compassion when I help friends to find their toys.

**Hakeem** – I show compassion when I cheer up a friend who is sad.

**Dana** – I show compassion when I let others play with me and my friends.

**Keyry** – I show compassion when I wait for my sister to go down the slide.

---

Chris Millirons, School Counselor  cmillirons@bcps.org
Claire’s Gourmet
“Poppin Popcorn”

Our next fundraiser will be Claire’s Gourmet “Poppin Popcorn”. The brochure includes items such as – many varieties of popcorn, cheese, beef sticks, and candy. Last year these items were very popular and delicious.

The fundraiser will **begin on April 3rd**. Each child will bring home a popcorn fundraising packet.

The **ending date is April 24th**. All orders and money are due at this time.

**CASH or MONEY ORDERS** only please.

Thank you for your support. The profit from this fundraiser will benefit our “Student Centered Learning Environment.”

Thank you,
Chris Millirons, School Counselor
cmillirons@bcps.org

---

**PTA Updates/Events/Other information**

First, we as the PTA, need to say a huge thank you to everyone that came out to the Snowball Dance on January 27th! It was a huge success and we raised $1,227 for our music department. Mrs. Brumbalow is so excited. She is looking into possibly getting a keyboard stand and a wireless microphone for the entire school to be able to use. She wants to coordinate with the instrumental music department and see what their needs are too. So exciting knowing everyone helped our music department out in such a huge way. It is also wonderful that the teachers are thinking of ways to help their department as well as the entire school! We truly have an amazing elementary school with caring teachers and staff! So thank you all again!
Now upcoming events, as we have more great and exciting things happening this year!

February 8th is our Paint night from 6:30-7:30 PM. We are looking forward to seeing those that signed up there!

Friday February 10th is the last day to turn in your fruit sale order forms. This is our last sale this school year, and it’s been going on for 45 years!

Sunday February 12th is our Skate Day at Sportsman’s Hall! Come out anytime between 11AM to 5PM and skate with your friends and family! Remember to mention Cedarmere!

February 15th is the PTA Board meeting; please send us an email at thecedarmerepta@gmail.com for any items you would like us to address!

February 16th is Family Dinner Day at Seasons Pizza! They are a local Cedarmere family owned business. You can order dine in, carry out or delivery! So get some lunch or dinner from there that day and support Cedarmere!

March 3rd and 4th are Fruit Sale delivery and pick up! We could use volunteers to help unload the truck Friday right after school or help with fruit sale pick up Friday evening and Saturday. High school students can get service hours for helping! Email us at thecedarmerepta@gmail.com if you can help.

March 20th – 24th is Book Fair! So exciting this spring we are giving back to all of our teachers! The money made from our book fair is going to allow our teachers to come in and purchase books. So please remember to support the book fair so we can help give our teachers more books for their classrooms!

March 23rd is the General PTA Meeting, STEM fair and evening book fair night! Meeting starts at 6PM, STEM fair presentation is 6:30-7:15, Winners announced and Book fair will be open until 8PM!

Now lastly, we would love you to consider possibly playing an active role in our PTA next school year. We have two positions that are definitely open for next year, President and Secretary. Our current Vice President and Treasurer have expressed their interest in continuing in their roles. We would like you to understand what those roles entail so you can make a decision if you would like to run for either role.

The President presides over all meetings of the local PTA, the board of directors, and the executive committee. They coordinate the work of the officers and committees. The president is a member of EVERY committee except the nominating committee. They review all bank statements monthly and initial, and represent the PTA at council meetings or sends an alternate. The president is a facilitator and makes sure that the PTA runs properly and decisions are made by the board and approved by the general membership. And, the president also performs other duties as necessary or as needed.

The secretary is responsible for recording minutes of all the meetings: the local PTA, Board of Directors, and Executive Committee. They read the prior minutes at each meeting to be approved. They file all records, and have a current copy of the bylaws. They also maintain a copy of the current membership and perform other duties as needed. If you don’t mind writing and taking notes, this position would be a great position for you.

Our elections are in May, and if you are interested please contact us at thecedarmerepta@gmail.com for more information. The nominating committee will be forming soon.

CEDARMERE PTA
VOLUNTEER TRAINING

All volunteer training now takes place online, at your own discretion. Every person who plans on attending a school field trip or event must be an approved volunteer. Once you complete the online training you must print your certificate of completion and bring it in to the main office to Mrs. Milliron. The training only takes about 15 minutes to complete. Here are the directions for accessing the training.

Using your web browser, go to:
http://bcpsvolunteers.md.safeschools.com/register/Oc26573

TECHNOLOGY NEWS!

Are you connected?

What is BCPS One?

BCPS One is a digital ecosystem made up of many connected electronic systems that contain teaching, learning, and reporting resources for students, parents, teachers and administrators. BCPS One allows parents the opportunity to be engaged in their student’s education by providing direct access to student information and progress.

Who uses BCPS One?

BCPS parents, students, and staff all have access to BCPS One. To access BCPS One, parents must first create a myBCPS account by visiting https://mybcps.bcps.org/ and adding a student using the parent
verification code distributed by the school. Visit https://bcpsone.bcps.org/support/faq.aspx for answers to more BCPS One (FAQs) frequently asked questions.

**When can you begin using BCPS One?**

As soon as parents have created a myBCPS account and added a student, they will have anytime, anywhere access to BCPS One.

**Why should you create an account?**

BCPS One offers 24/7 access to student information and progress all in one convenient location. It also provides opportunities for maintaining communication with teachers throughout the school year. Check out the “Digital Content” and “Instructional Tools” pages to view resources that your student can access to continue their learning at home.

**If you need a verification code for your child, please contact the school at 410-887-1100  The current codes are expiring on 2/22/2017**

Learn more by visiting [https://bcpsone.bcps.org](https://bcpsone.bcps.org)

**Technology News**

from the BCPS.org site Growing Up Digital  **ELEMENTARY SCHOOL**

**Common Sense on Evaluating Websites**

**What’s the Issue?**

The Internet is bursting with information. Some of it’s correct, some of it’s questionable, and some of it is just plain wrong. The Internet is typically the first place young people look when they begin researching a report or are just browsing for information on their favorite topic. But as you know, not everything they find on the Web can be trusted. And skills they learn about research and evaluation in elementary school will provide them a foundation they’ll continue to use in middle school and beyond.

**Why Does It Matter?**

Anyone can publish on the Internet, so not all sites are equally trustworthy. Teens have the ability to be skeptical, but younger children tend to believe what they read and accept it as the truth. When children find sources online that aren’t of high quality, they risk using incorrect information, getting only part of the story, and worst of all, denying themselves the opportunity to truly learn as much as possible about a topic.
When children use a website for their research, they should make sure it’s worthy of their trust. Fortunately, there are ways to evaluate the trustworthiness of a site. Along with choosing sites with good design and at the right reading level, kids should evaluate the substance and content of the material.

**Ask questions to evaluate the trustworthiness of sites.** You can help your child evaluate the quality of a website with a little detective work.

- *Who wrote this?* Check to make sure the author or organization is credible by looking at their title, expertise, and background.

- *What is the source of the information?* Does the site come from a well-known organization or news source?  *How does this compare to other information?* When evaluating websites it’s important to look at multiple sites so you can compare information.

- *When was this updated?* Has the site been updated recently? If not, move on. What is the site linked to? Was the site linked from another webpage that you trust? If so, that’s a good sign.

- *Are advertisers targeting you?* Help your kids notice when advertisers are trying to get their attention as they search. Teach your kids to question what the ads are saying.

The Lost and Found is located outside of the cafeteria. Please check this area if your child is missing a jacket, sweatshirt, gloves, etc. There are many nice articles of clothing, as well as other items. Every quarter we donate the articles, so soon all of the items will be gone.

**VISITORS**

All parents and other visitors entering the school must report to the office to sign in with the Raptor, inform the office of the purpose of their visit, and their destination. Once the visitor has been screened he/she will be allowed to go to the area of the building designated. Should a visitor want to change the destination or purpose of his/her visit, the visitor should report to the office where the office staff will seek approval for the change from the appropriate staff member.
SMOKING

Baltimore County Public Schools is committed to providing a healthy, comfortable, and productive environment for its students and employees. The use of tobacco in any form in the school building, on school property (including the parking lot), and at school-sponsored functions (including field trips) is prohibited at all times.

THE PANTHER PAW NEWSLETTER

The Panther Paw Newsletter will be published once a month on the second Wednesday of every month. It will contain a calendar of events for that month and the following month as well as other important information concerning our school. We encourage you to read the newsletter and post the calendars on your refrigerator to refer to them throughout the month. In our effort to go green and reduce the amount of paper we use, we are planning to send our October – June newsletters electronically through your email address if provided to the school, and our school website http://cedarmerees.bcps.org.
A community outreach program, sponsored by the Community College of Baltimore County (CCBC) and Maryland Dental Hygienists' Association (MDHA), will provide clear, colorless, protective coatings (sealants) on permanent molar teeth for children ages 6 – 17 to help prevent tooth decay.

- **Date:** Saturday February 25, 2017
- **Time:** 10:00 a.m. until 2:00 p.m.
- **Where:** The Community College of Baltimore County
  Dental Arts Center
  7200 Sollers Point Road
  Dundalk, MD 21222

- **Appointments are required.**

- **This service is FREE!**

To request an appointment, please call 443-840-3340 and provide a daytime phone number where you can be reached to schedule an appointment.

***Each child must be accompanied by a parent or legal guardian.***
