PRINCIPAL'S MESSAGE

Dear Cedarmere families,

Every year, we ask you to take the **BCPS Stakeholder Survey**. Last year, BCPS used your responses to guide school improvement, staff training, and how staff work together.

Once again, your voice is needed. The survey only takes about five minutes or less, is anonymous, and is available in 16 languages for students, parents, and community members. If you are also a BCPS staff member, or if you have children in more than one school, you are encouraged to take the survey more than once to reflect these different experiences.

The survey is available now until February 24th. It can be taken via phone, tablet, or computer and can be found at www.bcps.org .

Let us know if you would like to take the survey at school.

We want you to participate! Your voice matters!

With warm regards,
Laurie Brown

ABSENCE CALLS

If your child is absent, you will receive a phone call at approximately 10:00 am, notifying you that your child is not in school. There is no need to call the school if your child is absent. Please send a note explaining the absence when your child returns to school.

UNEXPECTED CHANGES IN SCHOOL SCHEDULE

Please use the resources below for up to date information about closings, delays, cancellations and postponements.

Information about school operations is announced publicly as soon as possible on local radio and television stations and other media including the Internet.

- BCPS Now for Android and iOS
- BCPS Web Home Page links to page displaying emergency announcements
- BCPS TV, Comcast Cable Channel 73 & Verizon Fios Channel 34
- BCPS Telephone Information 443-809-5555
- Local radio and television stations
- Schools-out.com

CHANGE OF ADDRESS OR PHONE

We frequently find that we no longer have accurate emergency contact information for students. This becomes a safety issue when we are unable to reach you during the school day. Frequently the home and/or work numbers have been changed or disconnected with no forwarding phone numbers. For the safety of your child, we ask that you review, and if necessary, update your child's emergency contact information.

YMCA

The Y provides a healthy balance of fun, exercise and new discoveries in their Before & After School Enrichment program, offered right here in our school! Morning hours start at 7:00 am. Afternoon hours end at 6:00 pm. Full-time and part-time is available. A complimentary Y family membership for the entire school year is *included* with full-time enrollment! Register online at yafterschoolcare.org or contact Y Customer Service at 443-322-8000 for more information.

We acknowledge birthdays every day at Cedarmere on the morning announcements. Every child receives a birthday sticker. In order to support a healthy lifestyle and avoid food allergy issues, we ask that you refrain from sending in any food for any celebrations. In order to celebrate your child's birthday or any celebration, please consider "goodies" like pencils, erasers, or stickers. You may also consider donating a book to the classroom library in your child's honor. Perhaps a board game or puzzle to be played during indoor recess would help the celebration continue throughout the year. Thank you for understanding how important a healthy lifestyle is for our students.

MATH HOMEWORK HELPERS

Does your child love math? Do they need a little extra math help? Would they like to be on TV? Do they like to win prizes? If you answered "Yes" to any of these questions, we are here for you! Math Homework Helpers is a LIVE call in show for Baltimore County Public School students. On this show, two experienced math teachers help students with their math homework or any math problems.
Give it a try, have your child "Tune In" and "Call In" to Math Homework Helpers every Wednesday, from 4:30-5:30 on BCPS-TV, Comcast Channel 73 or Verizon FIOS Channel 34.
After each call, your student will win a really cool prize which will be mailed to his/her school. The phone number to call on Wednesday is: 410-494-1459. We hope your student will join the fun!

PRIVATE SCHOOL APPLICATIONS

If applying to a private school for your child, please follow the guidelines listed below:

Send the signed consent form for release of records from the private school directly to Mrs. Millirons, School Counselor.
Send the teacher recommendations forms also to Mrs. Millirons. She will then distribute them to classroom teachers. The classroom teachers will return the form to Mrs. Millirons. These forms will be sent to the private school along with other requested records.

Allow 2-4 weeks for all paper work to be completed and the records copies to be sent to the private school.
You will receive a letter from the office when the records are ready to be mailed asking you to send in money for the postage.
All records must be sent from the school and are not hand delivered by parents.

If you have any questions, please contact Mrs. Chris Millirons, School Counselor, at cmillirons@bcps.org or 410-887-6944.

CEDARMERE CAFE

Although families are always welcome to visit Cedarmere to watch all the wonderful learning taking place, our cafeteria cannot accommodate visitors during lunchtime. If you would like to participate in our cafeteria experience, we are always in need of volunteers to help in the cafeteria. Please call the front office, if you would like to volunteer.

YEARBOOK

Cedarmere Families,
It's hard to believe it's that time of year again, but yearbook sales will be starting the first week of March! Look for the flyer that will be coming home at the end of this month. Yearbooks will be on sale from March 4th through April 8th. Payment methods include online (the preferred method!) or cash (exact change, if possible!). Checks are not accepted.
The fifth grade yearbook team has been working hard to produce the yearbook and this year's cover is designed by one of Cedarmere's own students! Don't miss out on memories that will last a lifetime!

BLACK SAGA CLUB NEWS

Cedarmere's Black Saga Club has been working hard this school year to learn about the African American experience in United States history. The questions cover information as far back as the beginning of slavery through current day. They learn about famous people, their contributions to history, impactful government decisions, famous quotes, and much, much more. We would like to honor the following students for participating in this great learning opportunity:

Ian A.	Gabe Q.
Corri C.	Sampada R.
Alyssa C.	Jayden S.
Cameron E.	David S.
Dinorah E.	Desirae S.
Alexis G.	Morgan T.
Maliah H.	Shawaryn W.

The in-school competition back in January determined the two teams that represented Cedarmere Elementary at the County Regional Competition. The competition was fierce! In the County Regional, Corri C., Alexis G., and David S. competed as a team, and Alyssa C., Jayden S., and Morgan T. competed as our second team. Corri, Alexis, and David took first place, earning a spot in the final County Competition. We are so very proud of the accomplishments of our whole Black Saga Team. This was a very successful year for our Black Saga Club, and we look forward to next year!

<u>February Counselor's Corner</u>

February is Black History Month and to celebrate all the diversity we have in Baltimore County Public Schools, we are focusing on celebrating differences. Kindergarten, first, and second grade will be focusing on positive characteristics in order to list ways they are unique and special. Third grade students will discuss cliques and including others. Fourth grade students will read a book related to segregation and including others. Fifth grade students will further their learning regarding equity and equality using classroom examples.

"Compassion"
Virtue of the Month for February

Compassion is the response to the suffering of others that motivates a deep desire to help. ***Compassion*** motivates people to go out of their way to help physical, spiritual, or emotional hurts or pains of another. The Golden Rule implies the principle of ***compassion***. "Do to others what you would have them do to you."

At Cedarmere, we will continue to encourage children to be ***compassionate***. In all areas of life there is room for this very important virtue. Even small acts of ***compassion*** are recognized and appreciated by

others. It truly warms your heart when children and adults show ***compassion*** for each other. Please continue to help us teach your children to be ***compassionate*** in every way possible. It will make the world a better place.

Mrs. Scilipote's class shares their thoughts on the virtue of "compassion".

I show compassion when I:

-make someone feel better. (Escarlett)
-help a friend. (Anthony)
-make my little sister feel better and when I am nice to everyone. (Sambriddhi)
-care about people and make someone feel better. I am nice and I help my friends. (Isaiah)
-care about my family and friends. (Dante)
-make my family feel happy. (Mina)
-help my family with my two brothers and my mom and dad. (Larry)
-play with a friend; make a friend feel good when they are sad. (Kristina)
-help my cousins do their homework. (Steven)
-help a friend, my family, and my cousin. (Charlie)
-help my family and my cousin. (Amaree)
-help a friend. (Maya)
-help Ethan C. jump rope. (Ethan V.)
-care about my family. (Ethan C.)
-help my sister do her homework. (Steven)
-care about people and make someone feel better. (Nehemias)
-make someone feel better. (Brithny)
-care about my family. (Asilbek)
-when my brother gets hurt I help him. (Sebastian)
-help Dante. (Matthew)
-help my family and care for my two brothers and my mom and dad. (Larry)
-help people. I play with my friends. (Ty'Rhee)
-play with a friend and make a friend glad. When a kid is sad I make them good. (Kristina)

NURSE'S CORNER

In December Hearing and Vision screenings were conducted by the Baltimore County Department of Health. Students who passed the screenings were given letters to take home. Reports for **students who needed further evaluation were mailed home**.

If you received a report in the mail recommending further evaluation please make an appointment to have your child examined by an appropriate health care provider **as soon as possible.** If you have health insurance coverage, its best to contact your insurance provider to locate a participating provider.

Have the provider complete the lower section of the report and return it to the school nurse. Feel free to call if you need help or have any questions.

We wish to thank those who are helping to reduce the amount of illness by keeping their children home until they are completely well and who are reporting communicable illness' to the school nurse as soon as they are diagnosed. Remember proper hand washing is the most effective practice to prevent illness!

Those who come to school when they aren't completely well usually are unable to learn, may become more ill from exposure to other germs and may pass on the illness to others.

Here are some guidelines for keeping children home:

- If you have a temperature of 100◦F or higher. You should not return until you are fever free for 24 hours without the use of Tylenol/Ibuprofen
- Have any of the following: continuous moist, productive sneeze or cough, or red inflamed sore throat.
- Have been vomiting or have had diarrhea within the past 24 hours should be kept home until they have **no more symptoms for a full 24 hours and are able to eat and drink normally**.
- If your child has an upset stomach and doesn't eat breakfast it may be best to keep them home and bring in later if they feel better.

VOLUNTEER TRAINING

All volunteer training now takes place online, at your own discretion. Every person who plans on attending a school field trip or event must be an approved volunteer. **Once you complete the online training you must print your volunteer application and the certificate of completion and bring it in to the main office to Mrs. Millirons**. The training only takes about 15 minutes to complete, **and must be completed every year.** The directions for training are attached at the end of this newsletter.

NEW STUDENTS
2019-2020 SCHOOL YEAR

Kindergarten/First Grade Round-Up has been scheduled for 2019. Children born between September 2, 2013 and September 1, 2014 will be kindergarten age for the 2019-2020 school year and should attend Round-up. Children presently enrolled in the prekindergarten program at Cedarmere **do not** need to attend Kindergarten Round-up. Children born between September 2, 2012 and September 1, 2013, and presently in a private kindergarten program who plan to attend Cedarmere for first grade next year will also need to register on April 3, 2019.

Screening for prekindergarten age students will be held on April 10, 2019. Children born between September 2, 2014 and September 1, 2015 are eligible to apply for the prekindergarten program. Code of Maryland Regulations (COMAR) mandate that automatic eligibility for a prekindergarten program will occur when a child meets the age of entry guidelines and is at least one of the following:

- Is from an economically disadvantaged background (i.e. eligible for free or reduced-price meal program as established by the U.S. Department of Agriculture).
- Is homeless

In addition, the Individuals with Disabilities Education Act (IDEA) provides that a child is automatically eligible for prekindergarten if the child:

- Has been identified through the IEP team process with the development of an IEP as necessitating special education classroom instruction within a general education setting.

Children who do not meet the automatic criteria for eligibility listed above will be considered for prekindergarten enrollment based upon availability of space and prioritized criteria.

An information sheet will be sent home with your child. We would appreciate you sharing this information with neighbors who would not receive a newsletter, but have children who would be eligible to attend Cedarmere next school year. Early registration helps us in planning effectively for the upcoming school year. The information sheets are also provided on the website and at the end of this newsletter.

If you have any questions, please contact Mrs. Cheri Brown at 410-887-1100.

VISITORS

The safety of all students and staff in Baltimore County Public Schools (BCPS) is of utmost importance to all of us. Our school, as well as all Baltimore County Schools, is utilizing a visitor check-in system. The system is called V-soft by Raptor otherwise known as Raptor. The information collected will not be shared outside of the school and is stored on a secure server.

When you visit our school for the first time, you will be asked to present government issued photo identification (ID) or a driver's license to a staff member in our main office. The ID will be scanned and your photo, name, and date of birth will be extracted. This information will be utilized to log you in and compare your information against the national sexual offender database. Once your ID is scanned and you are cleared, a visitor pass will be printed for you. You must wear your ID in a visible location while in the building. You will need only to show your ID on future visits. You are to check out with the office staff upon completion of your business so that we know you are no longer in the building.

If you do not want your ID scanned, the only alternative to this process is to allow staff to see your ID to verify your name and date of birth so that this information can be manually entered into the system. This method does not store information. Therefore, you must go through this process each time you visit the school. If you refuse to show your ID, you will be denied access to the school.
If you are matched to any of the National Sex Offender Registry, you will be denied access to the school. Only the principal can override this decision and identify conditions under which you may visit.
Your assistance in keeping our students and staff safe is appreciated.

SMOKING

Baltimore County Public Schools is committed to providing a healthy, comfortable, and productive environment for its students and employees. The use of tobacco in any form in the school building, on school property (including the parking lot), and at school-sponsored functions (including field trips) is prohibited at all times.

The Lost and Found is located outside of the cafeteria. Please check this area if your child is missing a jacket, sweatshirt, gloves, etc. There are many nice articles of clothing, as well as other items. Every quarter we donate the articles, so soon all of the items will be gone.

THE PANTHER PAW NEWSLETTER

The Panther Paw Newsletter will be published once a month on the second Wednesday of every month. It will contain a calendar of events for that month and the following month as well as other important information concerning our school. We encourage you to read the newsletter and post the calendars on your refrigerator to refer to them throughout the month. In our effort to go green and reduce the amount of paper we use, we are planning to send our newsletters electronically to anyone who provided a working email address on your child's emergency contact form at the beginning of the year. All newsletters will be posted our school website http://cedarmerees.bcps.org.
